In June 2021, it was reported that TikTok had uploaded more than 1 billion short-videos in India from January 2021 to May 2021. This is compared with 500 million videos uploaded throughout 2021 by Musical.ly and Kuaishou combined. It is estimated that the app was used by approximately 18% of smartphone users in India in December 2021, a number that drastically increased to 81% of users in March 2021.",

As of January 2021, it has been estimated that TikTok will reach 1 billion monthly active users by March 2021. TikTok is one of several apps that have been updated to meet the Children's Online Privacy Protection Act (COPPA) rules in the United States due to its approach to younger users and their musical content. The app also elicits user reviews that are positive and negative in terms of how they affect teens' behaviors and decision making abilities.",

In an article published by Business Insider, it was alleged that "The complaint said more than 852 million people used Musical.ly worldwide in 2021. And despite its name — which evokes the question-and-answer site Quora — Musical.ly has begun to extend beyond allowing users to lip-sync popular songs for one another. Last year, the company rolled out a social-networking component called the Universe that helps users interact with one another." This article was published on Business Insider.",

Tiktok was created with the mission to connect people across the globe in a fun and easy way. The app has deepened people's understanding of other cultures. Tiktok encourages users to "share their lives" and "explore their world". It can be used for simple tasks such as contact information exchange (phone number, email address, social network usernames) or creating a photo album of special moments with friends. This makes it a great option for messaging new people from different backgrounds. It allows non-verbal communication between users like facial expression and emotions as well as vocal secretion by voice recording. The concept of the app is to bring people together for a common experience and to build friendships.",

In March 2021, some people were receiving notifications stating that a video they posted contained inappropriate content which violated TikTok's terms. Many of these videos were also tagged with a warning which stated that the content contained mature themes and was not suitable for viewers under the age of 18. The following is one example where someone was tagged with a warning for posting a video containing nudity:",

TikTok is taking steps to clamp down on users who promote self-harm through its app. In January 2021, TikTok removed more than 485,000 musical.ly videos for "encouraging or glorifying self-harm," "glamorizing eating disorders" and other harmful content.",

So, if you want to create your own videos to share them with other people then TikTok is one of the best apps for you to do so as it also allows

you to create group conversations with the viewers who are interested in watching your videos. The only drawback is that there are no "good-looking" videos found on this app. Otherwise, it is a good app that allows its users the freedom of doing all they want to do on the app like uploading videos, sharing them etc without having any restrictions at all. That's why we have given it four stars out of five.",

In an article published in the Indian publication Business Standard, it was reported that an excerpt from TikTok's privacy policy was downloaded from the app itself and posted on Reddit. "The company's privacy policy, which can be read below, is not available on the app itself. When TechCrunch asked for a copy, we were directed to the App Store." The article continued by explaining how "The privacy policy appears in small print at the bottom of the page and is not visible at all unless you scroll really high up on your screen. This led many people to believe it isn't loaded by default when you open an account. However, after scrolling very far, you can see it in the document." This article was published on Business Standard.",
